EXCITING NEW VOLUNTEER OPPORTUNITY AVAILABLE

(Decatur, Georgia) If you are 55 years or older, there is an exciting new way to give back to your community. Senior Connections, in conjunction with DeKalb County and the Atlanta Regional Commission, is currently accepting applications for volunteers to help educate older adults about issues that are important for remaining healthy and independent in their communities.

Join a force of talented volunteers, age 55 and over, whose members are utilizing their unique life experiences and skills to share messages with older adults on topics such as how to access needed services; protect themselves from fraud; disaster preparedness; Medicare; and much more. RSVP volunteers play a critical role in providing education and outreach in local communities so older adults can make informed choices about available services and programs.

Free training is provided for volunteers in all subject areas. Flexible volunteer schedules are available. **Volunteers 55+ are eligible to receive mileage reimbursement and supplemental insurance.** For more information please contact Morgan J. Shannon **RSVP Coordinator, Senior Connections** at mshannon@srconn.org or **770-455-7602 ext. 101.**

Senior Connections is a non-profit organization that provides services and programs to senior citizens in DeKalb County. Potential Volunteers can visit **Senior Connections** at 5238 Peachtree Rd., Chamblee, GA 30341 or visit our website www.srconn.org.
